

## **LEX LOGISTIC INC**

### Description:

We take pride in the professional, reliable service we provide to every one of our customers. Our highly trained staff is always standing by to help you solve your transportation problems. From source to destination, we aim to deliver the best transportation services. To achieve this, we have assembled a team of highly professional drivers, dispatchers and administration staff, and have a well-maintained fleet of vehicles with which we deliver the goods in the most effective and affordable way possible.
